Introduction

Foundation

SS Group of Institutions are administered by Shri Shyama Shyam Charitable Trust Agra, registered in 2008, bring into being, by Hon'able Founder Late Sh. Bhagwan Singh Pradhan Ji, and Co-founder Sh. Ramkishan Yadav Ji.

Pradhan Ji is known as a Social Reformer and a public leader, who was elected for an unprecedented 8 terms and served the Village Gamari as Pradhan for 40 years.

Since his initial terms as Pradhan he had worked continuously in the field of education, starting with establishment of village primary school. It was his vision to establish a degree college, which finally saw the light of day on 2nd July, 2008.

Taking the first step by establishing a prestigious SS Educational Institute in 2008, SS group is succeeding by leaps and bounds.

Our Co-founder, Mr. Ramkishan Yadav has served as an Government teacher for forty one years. During his life as a teacher, he has always motivated and inspired his students, with his vision the second college Shri Shyama Shyam Teachers Training College was established on 3 Jan, 2013.

We as a group, work with the vision to emerge as a highly respected educational organization in the country. Our mission is to achieve national recognition as a major contributor of Quality Education, especially in the field of Teacher's training.

We are affiliated to Dr. B.R. Ambedkar University Agra, recognised by the NCTE, Jaipur (now New Delhi), approved by the Government and run under self-financing scheme.

Our training activities and state of the art infrastructure have been ergonomically designed to motivate the students to enjoy the learning process. We believe in synergistically pre-planned faculty-student programs to guarantee that the educative process is most fruitful at both levels, professional and social.

To assure the students with the best analytical, practical, innovative and most well informed study environment , a huge investment has been made to endow the children with leading edge Library facility, fully functional Computer Lab and Language Laboratory.

With great sincerity and dedication, the highly qualified staff is univocally focused on creating leaders out of students. We desire leaders who are creative, critical and calculative thinkers who can handle challenges effectively, proactively and efficiently.
